Reading

Children will read individually and in our group guided regularly, it is also important that you to read with them as often as possible. Even if this is just five minutes a day, it will make all the difference to their development. Please sign their reading record books so that we know the book has been read. Books will be changed on **Mondays then as required** – this is so that your child can read each book more than once and complete the suggested activities at the back of the book.

Phonics

We have a phonics session every morning – (which will be taught as a whole class). We will be teaching phase 3, introducing new sounds and tricky words.

Writing

We are concentrating on capital letters and full stop, conjunctions (and but so because) adjectives, words ending in ed, ing, plurals, alliteration, exciting openers and handwriting.

Routines

If your child is going home with someone other than the known adult, please write a short note to confirm this with the teacher.

The children are allowed bottles of water and a fruit/vegetable snack for morning break, which you need to provide. (School will provide an afternoon fruit snack) Please ensure any water bottles or fruit containers are clearly **named**. There will be a separate letter regarding the up and coming Windsor Castle trip.
