

Our Learning Journey:

- To identify what I already know and would like to learn about Ancient Egypt and Africa.
- To understand the journey of the river Nile and how it's changed over time.
- To find out the positive and negative effects of the Aswan High Dam on the River Nile.
- To explore the physical and human geography of the Nile Delta.
- To learn about life in 'Ancient Egypt' in comparison to modern Egypt by analysing artefacts.
- To investigate about the way of life in Ancient Egypt.
- To explore how Ancient Egyptians recorded and communicated.
- To explore the importance of Egyptian religion and beliefs in everyday life.
- To explore and understand the ancient Egyptian ritual of mummification and beliefs of the afterlife.
- To investigate burial traditions and examine the artefacts in Tutankhamun's tomb.
- To investigate the end of the ancient Egyptian civilisation.

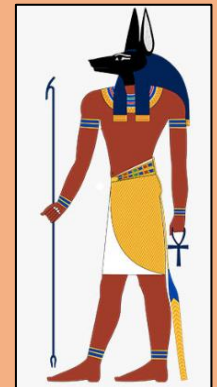

Key Vocabulary

Ancient Civilisation	The first settled and stable communities in an area that became the basis for later states, nations, and empires.
Artefact	An object made by a human being, typically one of cultural or historical interest.
Continent	A main, continuous expanse of land within the world.
Country	A nation with its own government, occupying a particular territory.
