

Half Termly Newsletter December 2025

Great Kingshill CE Combined School

Aspiring to be our best with kindness, respect and faith.

"Love your neighbour as yourself" Luke 10:25

Message from Mrs Best

The start of December brings with it the excitement, anticipation and chaos that comes with preparing for Christmas. We are reaching the final few weeks of the autumn term, and as always, there is a lot going on. At the end of this newsletter, you will find a full breakdown of all the key dates and events between now and the end of term.

The 1st of December also signals the start of Advent—a time when the church community and Christians all over the world begin their preparations for Christmas. I am sure many of the children opened their advent calendars this morning, and the excitement is building. However, while this is a period of celebration and joy, it is also true that preparations can bring pressures—time pressures, financial pressures, and the pressure to keep up with what social media suggests is possible. I want to take this opportunity to remind everyone that

the messages of love, peace, and joy are all free. So, remember: it is not what you have under the tree, but who is around your table and in your heart.

As you know, this term has been packed with enrichment opportunities for the children. Throughout the term, teachers have done an amazing job of keeping Class Dojo updated, but below you will find a wonderful summary of what has been happening across the school. The next section includes short pieces from each year group and some of our clubs, sharing the fantastic experiences they have enjoyed this term.

As always, the team and I would like to thank everyone for your continued support—it really does mean a lot. In recent weeks, we have received a variety of positive messages about different aspects of school life, and these little messages truly make a difference. We also recognise that there are times when we may fall short or not meet your expectations. I want to take this opportunity to remind parents that we are always here to listen. We may not always agree or be able to fix things straight away, but we will always do our best to resolve any concerns.

We are all looking forward to seeing parents over the next few weeks at the many events taking place.

With my best wishes as always,

Mrs Best

Children and Family Advent Calendar

At a time when so much focus is on spending and receiving, we thought it would be nice to set up a simple advent calendar this year. Below are tasks that you and your child could complete either in school or at home!

School & Family Advent Calendar Activities

1. **Write a thank-you note** to someone (teacher, parent, friend).
2. **Draw a festive picture** and display it at home or in school.
3. **Give a compliment** to three people today.
4. **Help tidy up** a space (classroom or your room at home).
5. **Share a positive memory** from this year with family or classmates.
6. **Make a paper snowflake** and decorate your home or classroom.
7. **Read a festive story** together (at home or in school).

8. **Sing a Christmas or winter song** with family or classmates.
9. **Swap a book** with a friend or family member.
10. **Write down one thing you're grateful for** and add it to a 'Gratitude Jar'.
11. **Create a kindness chain** – each person writes one kind act they'll do.
12. **Draw a card for someone in the community** (care home, hospital, neighbour).
13. **Do a secret act of kindness** for someone at home or school.
14. **Learn how to say “Merry Christmas”** in another language.
15. **Decorate a door or space** with a festive theme.
16. **Share a joke or riddle** to make someone smile.
17. **Write a short poem** about winter or Christmas.
18. **Make a recycled decoration** for the tree or classroom.
19. **Give up your seat** for someone or help with chores.
20. **Smile at everyone you see today.**
21. **Draw your favourite festive food** and share why you love it.
22. **Write a wish for the world** and hang it on a 'Wish Tree' or the fridge.
23. **Help someone with their work or chores** or play with someone new.
24. **Reflect together:** what was your favourite Advent activity?

SuperKind Project

This year, SuperKind will focus on protecting clean water in the UK by learning more, raising awareness, and creating a school petition for change.

The children decided to focus our petition on plastic-free rivers, encouraging water companies to install litter traps in rivers and drains to catch plastics and wipes to stop pollution harming our wildlife and ecosystems.

Our school council members have been gathering signatures for our petition, and we will send it to Buckinghamshire Council FAO the Cabinet Member for Environment, Climate Change & Waste and hopefully, help encourage others to make a change.

Some of our young changemakers may be interested in entering the Young Changemaker of the Year competition, the deadline for which is 19th December. The competition offers a chance to win prizes and be nationally recognised to inspire other children across the country. [The SuperKind Social Action Competition](#)

News from around the school

A Glimpse Across the School

While we know you regularly see updates from your child's year group on Class Dojo, we thought it would be lovely to share a broader view of life at Great Kingshill. Each half term, we will include a selection of photos from across all key stages—capturing moments of learning, creativity, play, and celebration.

It's a chance to see what's happening elsewhere in the school and to appreciate the vibrant, caring community your child is part of. From Early Years exploration to Upper Key Stage 2 achievements, we hope these snapshots bring a smile and a sense of connection.

Keep an eye out for your favourite moments—and who knows, you might spot a familiar face!

Early Years

Starting school is a huge milestone in a child's life, which makes the autumn term in Reception a truly special time. With our routines and expectations now firmly embedded, the children have enjoyed some wonderful experiences, including *The Tiger Who Came to Tea* party, a visit from the Park Rangers at Hughenden, making and tasting pumpkin soup, our theatre trip to see *The Comet*, and even playing in the snow! There is still so much more to look forward to: we have our Nativity performances and the Christmas party all coming up in the next few weeks.

Key Stage 1

Year 1

Year 1 have had a fantastic time exploring their Toy Topic! The children have been learning all about toys from the past and present, discovering how they have changed over time and what materials they are made from. Their English lessons have been toy-themed too! The children have worked hard to write sentences about their favourite toy, focusing on using capital letters, full stops, and even adding the conjunction 'and' to make their writing more interesting.

Year 2 have made a flying start to Autumn 2, learning about famous pilots and astronauts, including Neil Armstrong and the first moon landing. We loved writing instructions for bottle rockets and launching our own into the sky! In science, we have been investigating minibeasts and microhabitats, enjoying a Forest School adventure to spot tiny creatures in their natural environments. In DT, we have been learning about healthy eating and are excited to make the pizzas we have designed ourselves. We also spent time reflecting on Remembrance Day, creating beautiful poppy displays to mark this important occasion.

Key Stage 2

It has been all things prehistoric for Year 3! We concluded our Stone Age and Iron Age topic with a fantastic theme day—I'm sure you'll agree the children looked amazing in their outfits! In science, we have been busy conducting lots of experiments and even had the opportunity to observe the snow! As part of our whole-school Remembrance Day project, we really enjoyed making poppies and reflecting on the importance of the sacrifices soldiers made for us.

The highlight for Year 4 this term has been their trip to Verulamium! The children were amazed by what they saw and how old everything was. Some of us have been learning to swim, while others have been enjoying Forest School sessions. We also loved making our poppies for Remembrance and creating our Christmas crafts—we hope you like them too!

We ended last half term with our residential trip to Liddington, we were brave, kind and exhausted by then - but we had a wonderful time. This half term in Year 5, we have continued our work on Victorian Britain. We have been exploring the relationship between Hughenden's Benjamin Disraeli and Queen Victoria, examining a range of historical sources for evidence. In art and DT, we practised our cross-stitching skills to create poppies in recognition of Remembrance Day, and we have also started designing our own William Morris-inspired patterns, ready for some decoupage later this term. In English, we have been reading *Street Child*, the story of Jim Jarvis, whose experiences inspired Dr Barnardo to found his important charity to help impoverished children. We then wrote diary entries inspired by Jim's life. As the Christmas break approaches, we are looking forward to our video call with our partner school in France, our Victorian Day, and leading the school's Christmas Service.

In Year 6, we have been learning about WWI and WWII. Our visit to the Imperial War Museum helped bring to life the events and experiences of those who fought in both wars. On 11th November, we led the school's Remembrance Service, sharing some of our written work in the form of WWI poems and trench diary entries. In art, Mrs Best helped us create poppies from clay, which we painted and exhibited as part of our act of Remembrance.

Curriculum Enrichment - After School Clubs

The children are very lucky to have a wide range of after school clubs available to them. Below are some examples of what the children have been getting up to.

Lego Club

In Lego Club, the children have flexed their creative skills by making a variety of models—ranging from pets to inventions, fantasy lands to builds inspired by our topic lessons. We have been so impressed with their imagination and the enthusiasm (and confidence!) they have shown when presenting their creations.

Gardening Club

Gardening Club has had a busy start to November! We've been adopting the mantra of "re-use and recycle" by making wonderful bird feeders out of fruit nets. After decorating them, we hung them around the school to see which spots our feathered friends prefer. We've also been planting onions and garlic and learning to identify different herbs and spices by smell and touch. Interestingly, the majority thought the onion and garlic bulbs were... bolognese!

Book Club

Our book club this term has been a very small but dedicated group, they have loved spending extra time in the library and looking at all the books on offer. They have enjoyed selecting some new latest releases - which they have not put in the library. This week they wrote a message to the children about the library.

Dear Children,

We are sure you will agree that we have lots of amazing books in our library. However, we've noticed that some have never been read! When choosing your books each week, we encourage you to select something new—perhaps a book on a different topic or by an author you haven't tried before. Take a moment to look at the front covers and read the blurbs so you know what type of book you are choosing.

We now have a **new 'Book Return Shelf'** just to the right as you enter the library. When you bring a completed book back, please place it neatly on this shelf. Library monitors and book club members will then return them to the correct place.

Exciting News!

After the Christmas break, we will be launching a **'Reading for Pleasure' competition**. This will be open to all year groups and run until **World Book Day in March**. More details will follow after Christmas—watch this space!

Great Kingshill Remembers

On 6th November, our whole school came together for a very special Design & Technology afternoon inspired by Remembrance Day. The children immersed themselves in creative activities that not only developed their practical skills but also deepened their understanding of this important occasion. Throughout the afternoon, each year group explored a different material and technique to create beautiful poppies. From collage poppies in Preschool to intricate cross-stitch designs in Year 5, every piece reflected care and thoughtfulness. Our budding chefs in Year 1 even rolled up their sleeves to bake delicious poppy biscuits! Meanwhile, others shaped clay poppies, wove striking patterns, and experimented with textures to bring their ideas to life. It was wonderful to see the children so engaged—problem-solving, collaborating, and expressing their creativity in unique ways.

Personal Development & Safeguarding

Safeguarding Update: Keeping Children Safe Online and Beyond This Christmas

As we approach the festive season, many children will be excited about new gifts—especially technology such as tablets, smartphones, and gaming devices. While these can provide wonderful opportunities for learning and fun, they also come with risks. Here are some important reminders and tips to help keep children safe:

Mobile Phones and Messaging

- **Supervise text and messaging apps:** Children may use text messages, WhatsApp, or other chat platforms to communicate with friends. Please check-in regularly on who they are messaging and what is being shared.
- **Discuss appropriate language and boundaries:** Remind children that messages should always be kind and respectful. Explain why sharing personal information or photos can be unsafe.

- **Privacy settings:** Ensure messaging apps are set to private and that only trusted contacts can reach your child.

New Technology at Christmas

- **Set up devices together:** When giving new tech as a gift, set it up with your child. Enable parental controls and agree on-screen time limits before they start using it.
- **Check age ratings:** Apps, games, and social media platforms have age restrictions for a reason. Make sure your child only accesses age-appropriate content.
- **Passwords and security:** Create strong passwords and keep them private. Avoid using easily guessed information like birthdays.

General Safeguarding Tips for the Holidays

- **Stay involved:** Take an interest in what your child is doing online. Ask them to show you their favorite apps or games.
- **Talk openly:** Encourage children to tell you if something online makes them feel uncomfortable or worried.
- **Balance online and offline time:** Plan family activities that don't involve screens to help maintain a healthy balance.
- **Know where to get help:** If you have concerns, resources like NSPCC, Childline, and ThinkUKnow offer excellent advice and support.

Emergency Contacts: Important Information for Children

Keeping key contact details handy is essential—but it's just as important that children know them too. Mrs Garner has recently spoken to some of the children about what they would do in an emergency, and it was surprising how many did not know their home address, a contact number, or even their parents' first names.

This information is vital. In the event that a child gets lost or there is an emergency at home, they may need to share these details with a trusted adult or emergency services.

What Can Parents Do?

- **Teach your child their full name, address, and a parent's name.**
- **Help them learn a contact number by heart**—or keep it written in a safe place, like inside a coat pocket or school bag.
- **Explain what to do if they get lost** (e.g. find a police officer, shop assistant, or another trusted adult).
- **Practise calmly**—turn it into a fun memory game so it doesn't feel scary.

Emotional Wellbeing Advice

Emotional Wellbeing During the Festive Season

The holidays are a time of joy and excitement, but they can also bring big emotions and stress for children. Here are some tips to help support their wellbeing:

Managing Stress and Big Emotions

- Keep some familiar routines, like regular bedtimes and mealtimes, to provide stability.
- Plan quiet moments between busy activities—reading a story, listening to music, or going for a walk can help children feel calm.
- Avoid over-scheduling: children need downtime as much as festive fun.

Encouraging Open Conversations

- Ask open-ended questions like *“How are you feeling about Christmas?”* or *“What was your favorite part of today?”*
- Let children know it’s okay to feel a mix of emotions—excitement, tiredness, or even worry.
- Model calmness and reassurance: children often mirror adult emotions.

Signs of Anxiety or Low Mood

- Changes in sleep or appetite.
- Becoming withdrawn or unusually quiet.
- Frequent tummy aches or headaches without a clear cause.
- Increased irritability or tearfulness.

If you notice these signs, offer gentle support and talk to your child. If concerns persist, seek advice from your GP or trusted services like **Childline** or **Young Minds**.

Staffing Update

Miss Chorley

Miss Chorley has begun her maternity leave earlier than planned and will not be returning to school before Christmas. She hopes to pop in and see the children before the end of term, and I'm sure you will all join us in wishing Miss Chorley and her partner the very best as they prepare for the safe arrival of their new baby. Miss Chorley looks forward to updating us in the spring term!

Miss Del Rosal

Miss Del Rosal will be leaving us at the end of this term to start an exciting new adventure with her family in Spain. We would like to take this opportunity to thank her for all her hard work during her time at Great Kingshill and wish her every success for the future.

Miss Harris

I have met with Miss Harris in recent weeks, and she is hoping to return to school in some capacity in the new year. We are really looking forward to welcoming her back, even if only for a short time. We are so pleased that she is now in a position to return and that Isabella is making good progress with her treatment. As I'm sure you know, your thoughts and prayers really do make a difference.

Attendance

Attendance Really Does Matter!

Attendance Update

We have reached that point in the term where Mrs Marks and I will be reviewing all pupils' attendance as part of our termly monitoring.

As a school, our overall attendance is **96%**, which is above the national average—although not quite as high as we would like it to be. Our level of persistently absent pupils is **half the national average**, which is very positive.

However, our percentage of **unauthorised absence**, while still lower than the national figure, is approaching that benchmark. A significant factor in this is not only repeated requests for term-time holidays, but also the number of pupils who are **habitually late**. Please remember that when your child is late, this is recorded as an unauthorised absence.

The threshold for a referral to the County Attendance Team is **10 sessions of unauthorised absence within 10 weeks**.

Celebrating Excellent Attendance

We are delighted to share that **120 children have achieved 100% attendance so far this year**—a fantastic achievement that deserves recognition!

We do understand that there is always a balancing act between ensuring your child attends school every day and not sending them in when they are genuinely too unwell for school. If you are ever unsure, please contact the school office for advice.

Tips for Improving Punctuality

- **Prepare the night before:** Lay out clothes, pack bags, and check homework to avoid last-minute stress.
- **Set a consistent bedtime:** A good night's sleep helps mornings run smoothly.
- **Use alarms and reminders:** Set alarms for both waking up and leaving the house.
- **Plan for extra time:** Aim to leave 10 minutes earlier than needed to allow for unexpected delays.
- **Create a calm morning routine:** Avoid screens before school and keep breakfast simple.
- **Talk about why punctuality matters:** Explain how being on time helps learning and avoids missed opportunities.
- **Use Breakfast Club if mornings are tight:** Our Breakfast Club is open from **7:30am every day**, providing a safe and calm start to the day.

Exceptional Request for Leave of Absence

Leave of Absence Reminder

We would like to remind all parents and carers that **requests for leave of absence should only be made in exceptional circumstances**. Unfortunately, we are **unable to authorise family holidays or extended visits abroad** during term time.

Please be aware of the following important points regarding unauthorised absences:

- **Unauthorised absences are reviewed on a “10 in 10” basis**—this means that if a child accrues **10 unauthorised absences within a 10-week period**, the school is **required** to refer the case to the Local Authority.
- This review process runs **concurrently throughout the school year**; it is not reset at the start of each academic year.
- While the school makes the referral, **the decision to issue a penalty notice lies with the Local Authority's Attendance Team**.
- If you have previously received a penalty notice, please note that **you will not be eligible for the reduced rate payment option**.

We understand that family circumstances can be complex, and we are here to support you. If you have any questions or need further clarification, please contact Mrs Marks on attendance@gkcs.school

Thank you for your continued cooperation in helping us maintain high standards of attendance and punctuality.

Absence Monitoring & Home Visits

Home Visits & Absence Monitoring

We want to remind families of our procedures regarding **sickness near school holidays** and **absences lasting more than three consecutive days**.

To ensure transparency and uphold our attendance standards:

- If a child—or multiple children in a household—are absent for **more than three consecutive days**, we will conduct a **home visit**.
- We also carry out home visits for **any child absent during the three days leading up to a school holiday**.

Last year, we conducted a significant number of these visits. In many cases, families had reported illness, but no one was at home. We understand that travel logistics and costs can make it tempting to leave early before the end of term. However, if this is your situation, **please do not report your child as sick**.

Instead, we ask that you **complete the leave of absence form** and be honest about your plans. If a home visit is conducted and no one is present, the absence will be recorded as **unauthorised**.

We appreciate your cooperation in helping us maintain a fair and consistent approach to attendance. If you have any questions or need support, please contact Mrs Marks on attendance@gkcs.school

Respecting our neighbours!

Respecting Our Neighbours and Local Community

Since the start of term, the number of calls we have received regarding parking has increased significantly. These include reports of:

- Blocking neighbours' driveways.
- Leaving young children unattended in cars.
- Threatening behaviour towards staff in the Post Office when challenged about parking in private spaces.

In these instances, we have advised members of the public to contact the local police on the non-emergency number, especially if they believe an offence has been committed.

We have also received complaints about litter from parents' cars, including dirty nappies and snack wrappers.

Our Request

Please respect our neighbours and the local community by:

- Parking considerately and never blocking driveways or private spaces.
- Avoiding leaving children unattended in vehicles.
- Disposing of litter responsibly.

Thank you for your continued support in helping us maintain positive relationships with our community.

December Dates

Week Commencing 1st December

Tuesday

- **Year 1 Toy Workshop** - please ensure you have given consent and paid on Magicbooking.
- **4P swimming**

Wednesday

- **All pupils** - School nursing team in school to administer Flu Vaccinations to all pupils - please ensure you have given or declined consent.

Thursday

- **PTA Christmas Market 5.00pm - 7.00pm** - We are looking forward to seeing lots of you there! Your child's Christmas Craft will be for sale during the evening. Please check your wraparound care booking and amend as necessary.

Friday

- **School Closed - Inset Day**

Week Commencing 8th December

Monday

- **Year 6 visit to Hughenden Church** - Christmas Unwrapped

Tuesday

- **School Closed due to Electrical Power Outage**

Wednesday

- Christmas Jumper Day
- **Year 5 Parents Invited** to attend rehearsal of Christmas Service - in school at 2.30pm

Thursday

- **Year 5 Victorian Day**

Friday

- **Key Stage 2 Church Service** at St Michael's and All Angels
- **Year 5 remaining at Hughenden Manor** for the morning following the Church Service

Week Commencing 15th December

Monday

- **Elfridges** - PTA organised event, please check PTA communications for how to book.
- **Year 2 - Nativity to parents 2.30pm.** Each child will be sent home with two tickets for each performance. Please remember your tickets!

Tuesday

- **Year 2 - Nativity to parents 6.00pm.** Each child will be sent home with two tickets for each performance. Please remember your tickets!

Wednesday

- **Reception - Nativity to parents 9.00am** Each child will be sent home with two tickets for each performance. Please remember your tickets!
- **Reception - Nativity to parents 2.30pm.** Each child will be sent home with two tickets for each performance. Please remember your tickets!
- **Carols Around the Tree - 3.15 - 4.00pm.** The PTA will be serving mulled wine and mince pies, and everyone is invited to join us in the singing of traditional carols. The children will not be performing and song sheets will be provided.

Thursday

- **Christmas Parties - All Year groups.** Throughout the day the children will be having their class Christmas party. Children can come in their party clothes or Christmas jumpers.

Friday

- **End of term - School closes at 1.30pm.** There is no after school wraparound care on this day. All children need to be collected from school at 1.30pm. Please collect EYFS and KS1 children first.

Week Commencing 5th January 2026

Monday

- **School Closed - Inset Day**

Tuesday

- Spring term begins - wraparound care will be open.

Thursday

- **Prospective Parents Open Morning - 9.30am** - Reception and Preschool Entry September 2026.

Important Reminders

School-Run Clubs Finish This Week

Wednesday 3rd December will be the last day for school run clubs this term.

If your child normally attends a club and you need after-school care on that day, please ensure you book them into **Wraparound Care** for the **Early Bird session** via **Magicbooking**.

Important Reminder: if your child is not collected and would usually be at a club, they will be taken to Wraparound Care and **you will be charged**, including a **late booking fee**.

Lost Property

Since half term, we seem to have acquired a large amount of lost property! Please take a moment to check for any missing items before school closes for the Christmas holidays.

At the end of term, we will sort through all remaining items and either **recycle, donate**, or add them to our **second-hand uniform stock**.

Thank you for helping us keep our school tidy and sustainable!

Tuesday 9th December

Advance Notice: School Closure – Tuesday 9th December

We want to give families early notice that **school will be closed to all pupils on Tuesday 9th December**.

Southern Electric has informed us that they will be carrying out essential work on the overhead cables along Cryers Hill to stabilise the mains electricity supply. Although this work was originally scheduled for October, it has now been confirmed for **9th December**.

This planned outage will result in a **complete loss of power to the school building**, including water, electricity, and alarm systems, making it **unsafe to open the school** for the day.

We understand that this may cause inconvenience and appreciate that families will need time to make childcare arrangements. Please know that this closure is due to circumstances beyond our control, and we apologise for any disruption it may cause.

A copy of the communication from Southern Electric is included below for your reference.

Thank you for your understanding and continued support.

I'm contacting you on behalf of Scottish and Southern Electricity Networks to inform you of a scheduled power outage on the following dates:

- **Tuesday 9th December between 08:30AM to 16:30PM**

This planned outage is necessary to carry out essential maintenance on the overhead lines. The work is designed to improve network reliability and ensure the safety of our engineers while working.

Once the maintenance is complete, you should experience a more stable and reliable power supply with a reduced risk of future outages.

Kindly ensure that all relevant personnel are informed and avoid editing or working on important documents during the specified times.

If you have any questions or concerns, feel free to get in touch.

[Messages from our local community](#)

St Michael's & All Angels Christmas Services

The ministry team at Hughenden Church would like to warmly invite you to all or any of the their Christmas services. The dates, locations and times are listed below.

Christmas Services

Christingle Service

 **Sunday 14th December**

 **3:00 pm**

A beautiful service that tells of the importance of Jesus Christ through the symbolism of a Christingle.

Carols at Naphill

 **Sunday 21st December**

 **3:00 pm**

Join us at Naphill Village Hall for a community celebration filled with carols and festive cheer.

Nine Lessons and Carols

 **Sunday 21st December**

 **6:00 pm**

Experience the Christmas story through nine Bible readings, traditional congregational carols, and choir anthems.

Christmas Eve

Pop-up Nativity Service

 **2:00 pm**

A special interactive service for younger children. Come dressed as your favorite nativity character!

Carols by Candlelight

 **3:30 pm & 5:00 pm**

A service for all ages with carols and Bible readings by candlelight. Choose the time that suits you.

Midnight Communion

 **11:15 pm**

Welcome Christmas Day in church as we celebrate the birth of Jesus Christ together with choir-led singing.

Christmas Day

Choral Communion

 **9:00 am**

A traditional choir-led service with choral anthems.

Family Communion

 **11:00 am**

A lively family service with a worship band leading contemporary music and traditional carols.

An open invitation from Union Baptist Church - High Wycombe

Dear Families,

There is free family event coming up at the church I work for so I would be grateful if you could share it like before but understand how busy it is getting!

This event is our annual **Shepherd's Nativity Adventure** on **Saturday 6th December**. It's a fun, festive afternoon filled with crafts, games, interactive activities, and the Christmas story — perfect for children and families. Everyone is welcome, and it's completely free. More details can be found here: [Family Christmas | UBC](#)

We look forward to seeing you then!
