

Tuesday 11<sup>th</sup> October 2022

**Space Dome Visit**

Dear Parents/Carers,

We are writing to inform you of the exciting event that we have planned on **Friday 4<sup>th</sup> November 2022**. This event links in with our topics this term and the children will get to experience an adventure into space tailored to their year group. The cost of the event will be **£4.75**. This cost covers the cost of the dome and workshops.

Although this contribution is voluntary, please be aware that we may have to cancel this experience if there are insufficient contributions to cover the costs.

We hope the children will really enjoy this engaging experience.

Thank you for your continued support.

Kind regards,

Early Years Team, Year 2 Teachers and Year 5 Teachers.
